

About Us

For the past 30 years "Premier Tours" has specialized in providing Travel Services and Educational Tours for the friends, in the form of 1 to 4 day Bus tours in the USA and Inter-national Land Tours and Cruises. Whether we are visiting the Branch Offices of the Society or Informative Museums such as the "Holocaust Memorial Museum";. Whether we are touring the Bible Lands, or just delighting somewhere, in the magnificence of Jehovah's Creation our objective has always been to provide the friends with the environment they are most comfortable with, "Traveling with fellow witnesses, who share their interests";.

We want the experience always to be refreshing, encouraging and to build a greater appreciation for our great God Jehovah and where possible to contribute to our knowledge of his word the Bible. Plus, we never lose sight of the fact that as an identifiable group of Jehovah's Witnesses we are always a spectacle to both men and angels, and we want to make sure that the impression we create to those who observe us is always positive and uplifting.
